From time to time, I am approached by someone looking to purchase a grave in the Parish section of the cemetery in Durrow.

I'm also aware that over the years, some graves have been reserved in Durrow by families from the Cullohill end of the parish. When the cemetery opened in Cullohill, many opted to be buried in this new cemetery instead.

What I'm trying to establish is whether there are plots reserved in Durrow which will not now be needed.

I would really appreciate it if you could contact me with any relevant information.
